## COMPANY OVERVIEW – LONG VERSION

A leading North American online travel agency (OTA), FlightHub™ is built on the principle that broadening travel possibilities and connecting people across borders can inspire positive change and increase human consciousness. FlightHub, a Momentum Ventures subsidiary, was founded in Montreal, Canada in 2012 with the vision of making travel more accessible and cost effective while reshaping the overall travel landscape. FlightHub currently serves more than three million customers annually.

As a leader in the online travel industry, FlightHub continues to set itself apart by providing customers with outstanding experiences for more than a decade. Committed to technology, FlightHub continues to evolve and improve customers' travel experience and empower them to control their own travel itineraries.

FlightHub also prides itself on making employees a top priority. In the fall of 2023, FlightHub updated its inaugural Employee Benefits Program. All employees now benefit from enhanced travel benefits that are available on the FlightHub website. The benefits are available for them and their immediate family members.

Dedicated to service and supporting important causes, FlightHub was named the Gold Travel Weekly Magellan Award Winner for the Overall Giving Back Initiative in collaboration with 4Ukraine.ca and GlobalMedic to support Ukraine Humanitarian Aid in November 2023. To date, FlightHub has helped 220 displaced Ukrainians find safety in Canada. Flight Hub was also honored with the Travel Weekly Award and Silver Observe AI award in November 2023.

FlightHub is focused on innovation, customer-centricity, and adaptability in the ultra-competitive online travel agency industry. The company's rapid growth and evolution reflects its dedication to providing excellent user experiences and meeting the evolving needs of travelers worldwide.

## AWARDS & RECOGNITION

AIR CANADA  
CIRCLE OF EXCELLENCE AWARD

### Circle of Excellence (Air Canada)

FlightHub was honored with Gold status within Air Canada's coveted Circle of Excellence Award. ## EXECUTIVE BIOGRAPHY

Henri Chelhot was named Chief Executive Officer of FlightHub in December 2023, after more than a decade with the online travel agencies. He joined the organization in 2012 to lead the fulfillment team before moving into several technical and product management roles. Chelhot went on to become the Director of Content and Chief Revenue Office before being appointed CEO. As CEO, he plans to focus on adopting AI.

His passion for technology started at a very young age—coding is one of his favorite hobbies. He recognized early on that this was an industry he wanted to be a part of. Chelhot began his career at an internet service provider as a system administrator. An entrepreneur at heart, he launched his own company in the retail space before joining FlightHub as a founding member. His favorite part of being in this industry is the exciting change of pace, as there's never a dull moment when you are reshaping an industry.

Chelhot holds a degree in computer engineering from Concordia University. He is married with two daughters. In his spare time, he enjoys spending time with his family and pets, he has one dog and one bird. He is also passionate about health and wellness.

*I am excited to see what the future holds for this dynamic industry. As a leading online travel agency, FlightHub is proud to serve millions of our customers each year. We believe travel has the ability to open doors to new experiences and cultures. As AI continues to grow and evolve, FlightHub will continue our dedication to embracing this technology and providing our customers with the best travel experience possible.*
